

a. Consumer Prices Index

Table 2.3 .- Consumer Price Index - Original Data, Seasonally Adjusted Data and Trend

For original indices up to December 2000 - Base: Average 1998=100.0

For original indices between January 2001 and December 2002 - Base: Average 2000=100.0

For original indices between January 2003 and December 2006 - Base: Average 2002=100.0

For original indices as of January 2007 - Base: Average 2006=100.0

For seasonally adjusted data and trend - base: Average 2006=100.0

	Index			Monthly Percent Change			
	Original Datum	Seasonally Adjusted	Trend	Original Datum	Seasonally Adjusted	Trend
